**P.S. – IMPORTANT New FQP email Group**

We have a terrific new FQP email group via Groups.io. Below is an article from K5KG (thanks George!) with instructions on how to join our new FQP email group - we hope you will do so today!

-----

**ANNOUNCING: FLORIDA QSO PARTY (FQP) GROUP EMAIL REFLECTOR**

**by George K5KG**

**The Florida Contest Group (FCG) maintains an email reflector on Groups.io, called [FQP@groups.io](mailto:FQP@groups.io).** Groups.io was developed in 2014, and has become the most advanced email group service on the Internet. The FCG is using the Groups.io’s basic service at no-cost. This service allows for an unlimited number of subscribers, provides a Group directory and calendar, the attachment of files and photos to messages, and offers 1GB of file and photo storage.

**[FQP@groups.io](mailto:FQP@groups.io) was established to support the Florida QSO Party** which occurs every April, although some subscribers use it year-round. **This email reflector is not limited to FCG members, and anyone can belong.** There are currently 83 subscribers on [FQP@groups.io](mailto:FQP@groups.io). As the 2019 FQP approaches, we expect the number of subscribers on [FQP@groups.io](mailto:FQP@groups.io) to escalate rapidly.

Anyone wishing to subscribe to the FQP email reflector may send an email request to George, K5KG at [k5kg@k5kg.com](mailto:k5kg@k5kg.com). Upon receiving your request to join, George will send you an invitation to subscribe to the reflector. When you receive the invitation, simply follow the instructions, and sign yourself up.

Here are some tips about using the [FQP@groups.io](mailto:FQP@groups.io) reflector:

- 1.) When you join a reflector, go into your **PROFILE**, and **enter your call sign and first name (or nickname) in the Display Name field. It is critical that your Display Name and/or email address identify your CALL SIGN so we can properly administer your account.** (We have had times when a "BillyBob" subscribed with an email address of "[swampbuggy@xyz.com](mailto:swampbuggy@xyz.com)", leaving us in the dark about who he was because he did not provide a call sign.)
- 2.) You can post a photo in the PROFILE. This is optional, but if you do enter a photo, it will appear in the Directory of all subscribers. Typically, subscribers post their photo, but it could be a photo of their shack, antennas, etc.
- 3.) Subscribers can choose any one of these Email Delivery options
  - a. Individual Messages
  - b. Full Featured Digest – group of up to 12 messages individually (rich formatting)
  - c. Plain Digest – group of up to 12 messages individually (plain formatting)
  - d. Daily Summary – delivered in the morning of group's messages from previous day
  - e. No Email
- 4.) Subscribers can set up a Signature format to include in messages for Web or Email postings
- 5.) The reflectors are not moderated, so we ask all subscribers to keep their messages related to ham radio related-topics, and suitable for reading by all age groups. Frequently, subscribers will post for-sale, wanted-to-buy or how-to messages on the reflectors, and this is perfectly acceptable.
- 6.) The FCG's old FQP email reflector [fqp@kkn.net](mailto:fqp@kkn.net) has been discontinued and is no longer supported.

**In summary, [FQP@groups.io](mailto:FQP@groups.io) is an Florida QSO Party email reflector that the FCG operates at no cost to the subscribers. If you are currently a subscriber, please check the DISPLAY NAME in your PROFILE to make sure it identifies your CALL SIGN and NAME. If you are not a subscriber, drop me an email so I can get you on board.**
