QSO Certification Rules:

As an amateur radio operator(1) you can apply for the Worked All Florida award sponsored by the Florida QSO Party. As a rule you will not be not be asked to provide QSL cards for qualifications unless the WAF Awards Manager(s) considers it necessary to validate any claimed contacts. Any decisions made by the Awards Manager(s) as to the validity of applications are final.

The Florida counties list on this document is the only application form to be used when applying for the Worked All Florida award.

When applying for the Worked All Florida award, type or neatly print your name, callsign and mailing address. Band and/or mode endorsements for the award are available according to those provided in the list above.

- (1) SWL stations are not eligible for the WAF award.
- (2) FM/Repeater contacts not permitted for the WAF award.
- (3) Qualifying contacts must be made AFTER 01-JAN-2000.
